

## BRIDGE PROTESTORS SAY “SORRY FOR ANY DELAY!”

We’re launching a campaign for a bridge to allow pedestrians and cyclists to cross the new dual-carriageway safely. Bucks County Council is building this road and decided that a bridge was the best option for a safe crossing – now because of cost overruns it has cancelled the bridge.

The bridge will cost just a fraction of the amount spent on the new road you can see from this roundabout! It may save lives.

### PLEASE HELP US:

Write, quoting “A418/A505/Linslade bypass junction”, to:

- **Cllr. Val Letheren**, Cabinet Member for Transportation, Bucks. County Council. Email [vletheren@buckscc.gov.uk](mailto:vletheren@buckscc.gov.uk)
- **Cllr. Tom Wootton**, Cabinet Member for Highways, Beds. County Council. Email [tom.wootton@bedscc.gov.uk](mailto:tom.wootton@bedscc.gov.uk)
- Tell us you’ve written. Email [bridge@greenwing.info](mailto:bridge@greenwing.info)
- Watch [www.greenwing.info/bridge](http://www.greenwing.info/bridge) for developments

### THANKS

We hope the rest of your journey is uneventful.
